**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not deregulate our internet options. We need broadband for our work and lives and need options of smaller providers.

When we had AT & T service, it was overly expensive and unreliable.

We were happy to have other local options that are more affordable and reliable.

Don't take away our options. I support broadband competition.
